My dear Sir

I wish to work

Please refer to your D O
No 220 d/ the 1st Feb 1912 stating
that His Highness is not pre
pared to reconsider his former
decision declining to sanction
a local allowance of Rs 50 in
addition to his grade pay in
the P W Department to Mr B C
Sreenivasa Iyengar, Head Master
of the Engineering School

Both the IG of Education
and the Secretary P W D have
again been urging very strongly
the claims of Mr Sreenivasa Iyengar
for the allowance

The Secretary P W D has
pointed out in his note that

Mr

Mr B C Sreenivasa Iyengar was specially selected for the post of the Head-Master of the Engineering School as it was not possible to get another officer, having the required aptitude for such work in the Department drawing a similar pay, that when he was originally appointed, an allowance was sanctioned to him but which was withdrawn on the ground that the nature of the duties to be performed in the School did not justify the grant of a special allowance, that in the P W D whenever an Officer is put on any special work which would have the effect of preventing him from getting his usual travelling allowances, he is given a fixed travelling allowance and that the allowance now claimed by Mr Sreenivasa Iyengar

is similar to this allowance

I consider the case of Mr. Sreenivasa Iyengar a very hard one. ~~The Councillor also agrees with me~~ The post of the Head master of the Engineering School requires special aptitudes not ordinarily possessed by officers of the Department, and when an officer has been chosen for the appointment on account of his qualifications it seems to be desirable to make it worth his while to take up work which is outside the scope of his department. The improvement of the Engineering School is engaging our earnest attention, and I think it very necessary to attach a special allowance of Rs. 50, per mensem ~~to the retrospective effect~~ for the post of the Head master in addition to his pay in the department, to make ~~the~~ it post attractive

I request you will kindly
place the matter once more before
H H and favour me with final
orders in the matter. The 1st
Counsellor agrees with me & if the allowance is sanctioned,
I request the sanction may have retrospective effect
Yours Sincerely

With reference to Government Order No 2224-5/Edn 392-11-3 of the 11th September last declining to reconsider the question of the allowance withdrawn in the case of Mr B C Srinivasa Iyengar Head Master Government Engineering School Mysore I have the honour to submit herewith for the orders of Government copy of his letter No 217 dated 19th December 1912 and to state that whatever may be done in the case of the future incumbents it is hard in the present case as Mr Srinivasa Iyengar was first granted the allowance of Rs 50/- and drew it for about a year He now wishes to revert in case the allowance is not continued to him

Letter No 217 dated 19th December 1912 from the Head Master Engineering School Mysore to the Inspector General of Education in Mysore

---

Government Order No 2224-5/Edn 392-11-2 dated Bangalore 11th September 1912 that the question of my allowance cannot be considered

1 With reference to the above I have the honour to state that I was taken to the school on the following understanding "Mr B C Srinivasa Iyengar will draw his grade pay plus an allowance of Rs 50 per mensem during his employment in the Education Department (Vide Government Proceedings No 6910/Edn 190-10- dated 18th February 1911)

2 The allowance was given to all my predecessors since the commencement of the school and to me also for one year when it was suddenly stopped When it was first given to Mr Lakshmana Rao the 1st Head Master Government said "Mr Lakshmana Rao was a Sub-Assistant Engineer of the 1st grade on Rs 150 when his services were transferred to the Education Department as Head Master of the school of Engineering at Mysore on Rs 200 It is now reported that he has since been promoted to the grade of Assistant Engineer of the 3rd class on Rs 200 He therefore requests that his pay in Education Department may be correspondingly raised to Rs 250 Both the Chief Engineer of Mysore and the Inspector General of Education support his request In these circumstances the Government of His Highness the Maharaja of Mysore are pleased to sanction the increase of pay applied for with effect from 1st December 1903" Government Order No 3596-8/76-2/Education

3 I have shown in detail in my letter No 336 dated 1st April 1912 that my work in the school is not only indoor but consists of a considerable amount of practical outdoor work necessitating and justifying the allowance

4 In these circumstances I respectfully submit that I do not question the power of Government to change their proceedings at their pleasure This appeal is based on the confidence I have in their fairness

fairness and justice

5 In case it is considered impossible to continue the terms on which I was taken to the Education Department, I beg that it may be seen at least it is but fair to grant my prayer of reverting me to the Public Works Department
